## **GOLFERS TO TEE OFF TO BENEFIT PEOPLE WITH DEVELOPMENTAL DISABILITIES**

August 5, 2015 (Pittsburgh, PA) -- Golfers are invited to hit the links for the 9<sup>th</sup> Annual Charlie Ross Memorial Charity Invitational Golf Outing on Friday, September 18, 2015 at the Lindenwood Golf Club in McMurray, PA. This annual event benefits Mainstay Life Services, a non-profit organization that provides life-long, high-quality support services to individuals with developmental disabilities.

This year's event will feature a shotgun start beginning at noon for 18 holes of golf plus several contests for putting, closest to the pin, longest drive and longest putt. There is even a chance to win a new car for a hole-in-one. After a day of golf, the outing continues with appetizers and cocktails followed by a dinner, raffle and auction.

Raffle prizes include: Steelers tickets, a fitbit Surge Fitness Super Watch, a \$50 Nike gift card, and a \$250 Larrimor's gift card. Cost for raffle tickets is: \$3.00 per ticket or two for \$5.00. Tickets for the \$1,000 raffle are \$20 each or three for \$50.

Money raised at the event helps ensure that people with developmental disabilities in the community lead fulfilling lives and realize their vision of a desirable future. In the past, proceeds have helped fund special therapies and medical needs including dentures and eyeglasses; the purchase of clothing and other personal items for those who might not otherwise be able to afford them; and the means to make accessibility improvements to homes enabling people to live in a safe environment suited to their needs.

There are various ways to support the golf outing at all levels beginning with individual golfer fees of \$200 or \$800 per foursome. Additional sponsorship opportunities from hole sponsors to lead outing sponsor are available.

The deadline for registering to golf is August 21, 2015.
